No. 74

Enclosure No. 1.

Soliciting instructions as to the proposal made by the District Fund Board for the increase of the monthly grant for the feeding — charges of the Anna Chatram at Anchalli Hatti Holalkere Taluk

It is not usual to provide for the feeding of travellers from District Funds. Nor is this one of the purposes for which the local cess is intended to be applied. The proposal if I rightly understand it is this "Let the Chatram keep up the management of the D. F. Board with its present allowance but let each taluk Board contribute from District Funds, and arrange for feeding both Brahmins & non-Brahmins" This does not seem to deserve favorable consideration — Govt.

To

The Secretary to the Government
of Mysore, General and Revenue
Departments.

Sir

In submitting herewith an extract of resolution passed at the meeting of this District Fund Board held on the 22nd instant, I have the honor to obtain sanction to the Chalkere Railway station is at present maintained by the Muzrai Department at a total cost of Rs 25-6-0 per month

The amount actually set apart for

for feeding purposes is only Rs 14-6 ⊕
Thus sum is hardly sufficient to
meet the expenses of the Chatram
for the whole month. A reference
was made to Government in the
Muzrai Department as regards
the insufficiency of feeding charges
But sanction was refused to the
additional allowance owing to
the additional cost not being
capable of being met from re-
-trenchments in other Chatrams
in the District.

(⊕ This probably includes Rs 3-0-0 % of lighting)

2 The Village (Arehallihatti
near which the above Chatram is
located is 4 miles distant from
the Holalkere Town. It is however
close to the important Railway
station of that name. The poore

poorer classes of Railway passengers that alight at the Station are often put to considerable inconvenience as no articles of food are procurable there. It would certainly be an act of charity to feed such poor hungry travellers in the above Chatrum.

3. The funds now available for feeding the travellers in the Chatrum having been found to be inadequate the subject of supplementing them from the District Funds was placed before the Board, who after a discussion, have resolved to contribute the amount of Rs 17-4-0 from the District Funds.

4 I beg to observe however that the feeding in this Chatram is confined to Brahmin travellers When a grant is made from the District Funds for the purpose the arrangements have to be in fairness to the public open to all classes; and no arrangement can be made with the means at the disposal of the Board to meet this requirement. A large portion of the present establishment is now maintained from Muzrai Funds and if this establishment is taken over by the District Fund and the whole 'Thastirk' granted for the Chatram left free for the use of travellers some considerable portion of

of the difficulty now experienced, will vanish. If Government approve of this course, I shall submit a regular proposition & statement for formal sanction, pointing out the sources in the Budget from which the cost of the establishment can be met.

I have the honor to be,

Sir,

Your most obedient Servant

Alexander Hamilton

Note by the Mysore Secretary

The Deputy Commissioner was asked to report if the allowance of any other Chatram in the district, not much frequented by travellers, might be transferred to the Chattram at Arehallikatti (Holalakere Railway station) in view to supplement the fading grant of the latter. But, in reply, he has reported that no Chatram in the District can be abolished without causing hardship to travellers.

In these circumstances, the Mysore department is unable to provide additional funds to the Ch. - thrum in question.
